Yosef Rinott

Contact Information	Department of Statistics and Center for the Study of Rationality The Hebrew University Jerusalem 91905 Israel

Telephone: (972) 2 5881160, (972) 2 6482316
E-mail: rinott@huji.ac.il
web site: http://pluto.huji.ac.il/~rinott/

RESEARCH INTERESTS

Mathematical and applied statistics; probability inequalities, dependence and stochastic orderings; limit theorems and asymptotics in statistics; probabilistic aspects of game theory; statistical disclosure control; decision and sampling theory.

EDUCATION

Ph.D: Weizmann Institute of Science, Israel, 1974

Ms.C: The Hebrew University, Jerusalem, Israel, 1970
Department of Statistics

B.A.: The Hebrew University, Jerusalem, Israel, 1968
Departments of Mathematics and Statistics

ACADEMIC POSITIONS: REGULAR APPOINTMENTS

The Hebrew University Chair of the Academic Committee, Federmann Center for the Study of Rationality	**2023 - ....**
The Hebrew University *Professor Emeritus*, Department of Statistics	**2014 - ....**
The Hebrew University *Professor*, Department of Statistics	**1999 - 2014**
The University of California San Diego *Professor*, Department of Mathematics	**1989 - 2000**
The Hebrew University *Professor*, Department of Statistics	**1987 - 1990**
The Hebrew University *Associate Professor*, Department of Statistics	**1984 - 1987**
The Hebrew University *Senior Lecturer* Department of Statistics	**1980 - 1984**
The Hebrew University *Lecturer* Department of Statistics	**1976 - 1980**

ACADEMIC APPOINTMENTS

The Hebrew University ***Chair:*** *Mr. and Mrs. Francis Hock professor of statistics*	**2006 - 2014**
The Hebrew University Center for the study of Rationality *Director of Doctoral Program*	**2004 - 2007**
The Hebrew University *Member of the Center for the Study of Rationality*	**2002 - present**
The Hebrew University *Head of university Statistical Data Archive*	**2000-2003**
The Hebrew University *Head of Unit for Empirical Research*	**1982 - 1986**

ACADEMIC VISITING POSITIONS AND SHORT VISITS	**LUISS Rome Faculty of Economics** *Visiting professor*	**2006, 2008 - 2010, 2012-2017**

La Sapienza Rome Department of Mathematics
Research and teaching Visitor   **2004**

ICER (International Centre For Economic Research) Torino
and **Department of Statistics and Mathematics University of Torino**
Research Visitor   **2004**

The University of Southern California
Department of mathematics *Visiting Professor*   **2003**

The University of California San Diego
Department of Mathematics *Visiting Professor*   **1986 - 1987**

Stanford University Department of Mathematics
Visiting Professor   **1980 - 1982** and various other short periods during **1979-1988**

The University of Chicago Department of Statistics
Visiting Assistant Professor   **1975 - 1976**
Cornell University Department of Mathematics
Visiting Assistant Professor   **1974 - 1975**

LANGUAGES

Hebrew: mother tongue
English
Italian quasi fluent
French and German: some basic knowledge

PROFESSIONAL ACTIVITIES

Fellow of the Institute of Mathematical Statistics, 1983

Member of various conference organizing committees: Bayesian Statistics Ein Gedi Israel 2003;   Stein's Method and Applications, Singapore 2003; XXVI International Seminar Stability Problems for Stochastic Models October 2007, Israel; Privacy in Statistical Databases, 2008, 2010, 2012, 2014. IWAP 2012. ASMDA 2011, 2013, 2015,

Member of PhD Prize committee, Bayesian Society ISBA. 2003

Member of various grant committees, Israel Science Foundation, and Binational Science Foundation.

Referee in numerous statistics and probability journals.

Recent talks in departmental seminars : LUISS Rome (2019), Tor Vergata, Rome, Economics (2007), Rutgers University (2005), Technion, Israel (2007, 2009, 2012), Weierstrass Institute for Applied Analysis and Stochastics and University of Berlin (2009), University of Nicosia - Cyprus (2010), Université Libre de Bruxelles (2010), La Sapienza Rome, Dept. of Mathematics, (2006 and 2008, 2010, 2011, 2014, 2015), University of Salerno (2011, 2014, 2015), Center for the Study of Rationality, the Hebrew University (2011), Tel Aviv University (2012), Technical University of Vienna (2014), University of Florence (2014), University of Southern California (2014 and 2020) University of California San Diego (2014), The Hebrew University Computer Science 2015. Dept of Statistics 2016. University of Turin, Department of Mathematics 2017. Collegio Carlo Alberto Turin 2018, CNR Milano 2018, Center for the Study of Rationality, The Hebrew University 2019, 2022. LUISS Rome, 2019, The university of Perugia Department of Statistics 2019, The Hebrew University 2019, 2020. Medical University of Vienna, Dept of Statistics (2020), University of Maryland, Baltimore County (2020), University of Wisconsin Separtment of Statistics (2022).

Teaching in Italy: short courses in statistics and probability: Scuola Matematica Interuniversitaria (Cortona and Perugia, 1999, 2000, 2002, 2010, 2012, 2013, 2015, 2017, 2018. Bocconi (Torgnon) (2001). La Sapienza, Rome, Dept of Mathematics (2004), and Dept of Economics (2006). LUISS (2006, 2008-11, 2012-2017). Teaching at the University of Turin 2016, 2017, 2018, 2019, 2020. Teaching at the University of Perugia 2018, 2019, 2020.

MEMBER OF EDITORIAL BOARD	Metron, Italian Journal of Statistics SpringerBriefs in Probability and Mathematical Statistics
PH.D STUDENTS	Micha Mandel (2006), Natalie Shlomo (2007), Yakov Malinovski (2009). David Azriel (2012).

SOME RECENT CONFERENCES (**invited speaker**)

Symposium on New Developments in Statistical Disclosure Control, Southampton, UK, May 2004.

Workshop on Mathematical Analysis and its applications in Economics, Evolutionary Theory and Bioinformatics In honor of Sam Karlin's 80th birthday, Stanford University, October 2004.

Scientific Applications of Bayesian Analysis - The 3rd Winter Workshop on Statistics and Computer Science. Ein-Gedi, Dead Sea, Israel, December 2004.

Stochastic methods in mathematical finance. La Sapienza, Rome , 2005.

International Workshop on Privacy and Confidentiality, Bertinono Italy, 2005.

Complex Datasets and Inverse Problems: Tomography, Networks, and Beyond. Rutgers University, October 2005.

UNECE Work session on statistical data confidentiality Geneva, November 2005.

Israel Statistical Association annual meeting, May 2006.

Bruno de Finetti Centenary Conference, Rome, November 2006.

CENEX-SDC - Eurostat PSD'2006 Privacy in Statistical Databases. Rome December 2006.

International Conference in honor of Professor Ester Samuel-Cahn, Jerusalem, December 2006,

56th Session of the ISI (International Statistical Institute) August 2007, Lisboa.

The 2008 International Workshop on Applied Probability (IWAP) July 2008, Compiègne, FRANCE.

Sample Surveys and Bayesian Statistics, Conference and Workshop. Southampton Statistical Sciences Research Institute, August 2008.

IWAP 2010 - International Workshop on Applied Probability, July 2010 Spain.

Workshop on Stochastic Methods in Game Theory, Erice Italy, September 2010.

Applied Stochastic Models and Data Analysis International Conference, June 2011 Rome Italy.

Mini-symposium "Stochastic Models", Universita degli Studi di Salerno - Dipartimento di Matem-

atica, September 2011.

Amistat (Workshop on Analytical Methods in Statistics) 2011, Prague, the Czech Republic.

IWAP 2012 - International Workshop on Applied Probability, June 2012 Israel.

The Impact of Statistical Thinking in Economics and Life Sciences, Milano 2012.

Applied Stochastic Models and Data Analysis International Conference, June 2013, Barcelona.

Israel Statistical Association 2014.

Stochastic Processes, Orderings and Dependence, Rome 2014

AMISTAT 2015 - Analytical Methods in Statistics Workshop in Prague.

Workshop "Stochastic Models And Related Topics" Salerno 2016.

World Congress in Probability and Statistics (IMS, Bernoulli) 2016.

Data Linkage and Anonymisation, Isaac Newton Institute Cambridge UK 2016.

Recent Developments in Bayesian Theory and Stochastic processes, Bocconi, Milan 2017.

Democratic Elementary School Tel Aviv Yafo family day: workshop on Math, Art and Science, 2018.

Stein's method and applications in high-dimensional statistics. American Institute of Mathematics, San Jose, California August 2018.

12th International conference of the ERCIM WG on computational and methodological statistics, London 2019.

2022 IMS Annual Meeting, London 2022.

IWAP 2023 – 10th International Workshop on Applied Probability, Thessaloniki 2023.

Royal Statistical Society International Conference, Harrogate, UK 2023 (contributed paper).
